

Dining for Dough

Perigee Restaurant wants to help give back to the community.

Since opening our doors in 2009, our restaurant has given thousands of dollars worth of food and donations to our local communities. Now we want to take it to the next level, with a program designed to help all Non-Profit Organizations, from schools to ministries to sports teams to youth groups to every charity in between that may be near and dear to our valued customer's and friend's hearts. **Dining for Dough** is a program that raises funds effortlessly with no selling on the kids or organization's part. Join the **Dining for Dough** Program and raise additional dough for your organization today.

Perigee Restaurant will donate 10% of all purchases* by your group back to your organization!

How it works:

We designed the program to make it as easy as 1-2-3:

1. Register your Non Profit Organization with Perigee Restaurant and provide Perigee with your Non-Profit Documentation.
2. Copy and hand out the flyer (provided by Perigee) to the members of your organization, friends, neighbors, family, area businesses etc. The more flyers you distribute the more money your organization can raise. Flyer includes a unique identifier for your group.
3. Check your mail once a quarter for a check from Perigee Restaurant! There is no limit on how much dough can be raised!

The rules:

1. Flyers must be presented to the cashier at time of purchase.
2. No other discounts may be applied to purchase

That's it! We do all the rest. Great food, no selling and a nice little income stream for your organization. **WIN-WIN-WIN.** Call (413)394-4047 to contact us and begin **Dining for Dough** for your group today!
